

SOCIAL SCIENCE

This program may involve interdisciplinary study that includes material that crosses departmental lines. Occasionally, the program involves fields not regularly offered at the college.

SSCI 120 Social Science Statistics

Basic social science statistics used to summarize data, describe relationships between variables, and make inferences from samples to estimate population parameters. Discussion of theory of probability and probability distributions, hypothesis testing, and exploration of computer packages. Preliminary to methods courses and some upper-level courses in business administration, economics, psychology, and sociology. May not be taken by students who have completed Mathematics 120 or equivalent. Requirements met: Quantitative Competency. (Each fall and spring)

SSCI 250 Intermediate Topics in Social Science

Introductory courses on materials that cross departmental and divisional lines or involve fields not regularly offered at the college. May be repeated when topic varies. Requirements met: Social Sciences Breadth.

SSCI 260 Intermediate Directed Study in Social Science

Student investigation of topic of interest working in collaboration with a faculty member resulting in significant oral and written work. See On-Campus Learning Opportunities for more information. PREQ: Freshman January term or Sophomore standing. Special permission required. Offered in variable course credit from 0.25-1.00.

SCI 350 Advanced Topics in Social Science

Advanced courses on materials which cross departmental and divisional lines or involve fields not regularly offered at the college. May be repeated when topic varies.

SSCI 460 Advanced Directed Study in Social Science

Student investigation of topic of interest related to the major or minor working in collaboration with a faculty member resulting in significant oral and written work. See On-Campus Learning Opportunities for more information. PREQ: Junior or Senior standing. Special permission required. Offered for variable course credit from 0.25-1.00.

SSCI 490 Independent Study in Social Science

Student-driven independent work to produce a high quality body of work such as paper, report, art project, etc. See On-Campus Learning Opportunities for more information. PREQ: Junior or Senior standing. Special permission required. Offered in variable course credit from 0.25-1.00.
